## Happy Thanks**GROSS**ing!

Your goal is to create the most disgusting Thanksgiving recipe you can using the criteria below. The purpose of this activity is to practice writing clear instructions and to be creative.

### Criteria for Success:

- \* Create a recipe that has exactly **15 different ingredients** (the ingredients must be edible and must be an actual food that humans often eat). Give your recipe an appropriate title.
- \* Specify the **amount** of each ingredient (1 cup, ½ gallon, 3 teaspoons, 4.5 ounces, etc.).
- \* Write between **10 and 15 steps** for your recipe. All steps need to be **complete sentences**. Make sure they are **clear** and that they are in the **correct order**.
- \* **Illustrate 4** of the steps. You may choose the steps. Put the step number in the illustration box.
- \* Write steps that are **detailed** and **easy to understand**. A stranger should be able to understand your instructions without needing help
- \* Draw a **picture** of the completed recipe. Take your time, draw **neatly**, and use **color**.
